Rose Business Solutions, Inc. Named 2011 Microsoft ERP Cloud Reseller of the Year

SAN DIEGO — September 20, 2011— Today, [Rose Business Solutions](#) Inc., announced it has been selected as the Microsoft Dynamics US ERP Cloud Reseller of the Year.

“We are honored to have Microsoft recognize our organization as US ERP Cloud Reseller of the Year. This further validates our vision to focus on the cloud in order to provide better, more reliable and cost effective access for customers to their business systems,” said K. Linda Rose, president of Rose Business Solutions.

“Through our hosting services to partners and our [myGPcloud](#) offering, we are the first partner to offer the only true on-demand Microsoft Dynamics GP solution in which users can procure their own instance and get up and running in less than five minutes with no upfront fees or annual commitments. The number of new subscribers each week has proven that companies are confidently migrating to the cloud in increasing numbers.”

Awards were presented in multiple categories, with winners chosen from a set of more than 3,000 entrants worldwide. The Microsoft Dynamics US ERP Cloud Reseller of the Year Award for building a successful cloud practice recognizes Rose Business Solutions, Inc., who has shown both innovation and results related to selling and delivering Microsoft Dynamics ERP partner-hosted offerings, and has met customer demands by packaging intellectual property product and/or services.

"We are pleased to announce Rose Business Solutions, Inc. as Microsoft US ERP Cloud Reseller of the Year for delivering exceptional value to customers seeking cloud-based ERP solutions," said Kati Hvidtfeldt, senior director for the US ERP Cloud business at Microsoft. "Rose Business Solutions, Inc. has developed, branded and marketed customer-centric packaged solutions with rapid provisioning and deployment. In addition, they have developed mobile applications to support the ever increasing mobile work force."

Rose Business Solutions is a nationally-recognized technology provider, a Microsoft Gold Enterprise Resource Planning Competency within the Microsoft Partner Network, and one of the Southern California region's largest providers of Microsoft Dynamics solutions. Through its [RoseASP](#) division, it is the premier provider of [hosted Microsoft Dynamics solutions](#) on-line as well as its newest on-demand solution, myGPcloud.

The Microsoft Partner Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the past year.
